H-hook

Use Simply Soft 6 oz. Yarn

Tip: A couple of post-it notes make great line markers to keep your rows straight on the pattern diagram.

### HOW TO CHANGE YARN COLOR:

To change color, work the first 2 loops of the last double crochet before new color, drop old color, hook new color and draw through last 2 loops on hook. Cut old color and work over ends of both colors. When working small color area, instead of cutting thread, carry through to next color change by working over end of old color thread.

### HOW TO READ PATTERN:

Each solid square is equal to 4 double crochets. Each open square is equal to 1 double crochet, followed by 2 chains, followed by 1 double crochet. The double crochet at the end of each square also counts as the first double crochet of the next square. For example, a solid square followed by an open square is 4 double crochets, 2 chains, 1 double crochet. See diagrams below:

Where "⌋" is the symbol for one double crochet, "○" is the symbol for one chain, and "x" is the symbol for one single crochet.
